

## Product code: LFMF24C

### APPLICATION

These medium capacity feeders are designed for young cattle such as calves growing out to weaners.

This is a popular feeder for calf rearing as this allows animals to grow out into bigger calves up to 400kg.

It is capable of handling 8 – 10 animals at one time and is suitable for grain, pellets, and mixed feed rations.

### FEATURES

- Fully galvanised finish
- 2 x 2400mm length troughs
- Trough depth and width designed for cattle
- Tractor bump rails
- Wide access opening lid
- Internal bracing
- Strong sub-frames for lifting
- Sight glass
- Adjustable lick doors

Also available in an easy to tow model
