

Product code: **TRALTUT6X5G**

APPLICATION

These flatbed trailers give farmers the option to carry anything that extends out past the normal box trailer load from fencing posts, sleepers, to putting a water cartage tank or spray unit on board.

They can be towed behind your ute or ATV and will carry approximately 1 tonne depending on your choice of axle/tyre. Heavy tie rails keeps your load secure and the neat package size of the trailer means it can easily act as a work bench while out in the field.

FEATURES

- Galvanised finish
- 1 tonne capacity
- Light truck tyres
- Jockey wheel
- Tie rails
- ATV hitch or 50mm ball hitch
- Checker plate floor
- Spring suspension
